This topographic map shows a region with several blue-shaded areas, likely indicating target land for a project. A dashed line outlines a larger area of interest. The map includes various geographical features, roads, and buildings. Key locations and features labeled include:

- Blue-shaded areas:** Three distinct regions are highlighted in blue. One is a large, irregularly shaped area in the upper right, another is a smaller, more rectangular area in the lower right, and the third is a large, somewhat triangular area in the lower left.
- Dashed line:** A dashed line runs from the upper left towards the lower right, enclosing most of the blue-shaded areas.
- Geographical features:** The map shows a river (利根川) flowing through the region, with several bridges (e.g., 新屋敷橋, 下河原橋, 天狗下橋). There are also various parks (e.g., 坂東橋緑地公園, 緑地運動公園) and sports facilities (e.g., 総合運動場, 多目的広場).
- Buildings and infrastructure:** Numerous buildings, including residential structures and commercial buildings, are visible. Infrastructure like roads and railways are also shown.
- Topography:** The map includes contour lines and elevation markers, indicating the terrain's slope and height.
